

# 'DOWNM'CARREN,' MURPHY'S ORDER IN THE PRIMARIES

And "Up with Coler," Even to  
Comptrollership, Is the  
Watchword.

NEW LEADER PROMISED.

"Long Pat's" Former Lieuten-  
ants Busy at Polls for  
His Overthrow.

When the polls opened at 2 o'clock today the real primaries battle was on and destined to continue for seven hours. The counting of the ballots will determine whether a boss has been dethroned in Kings County or a former boss is returned to power in Manhattan. The first part refers to Senator McCarren, and the other to former Gov. Odell, who is seeking the scalp of County Chairman Herbert Parsons of the Republican rank and file of this county.

As for Tammany, all was quiet within the lines, not one district fight showing in any part of Tammany's territory. But the Tiger was watching the battle in Brooklyn with great concern, prepared to pounce at the last moment and send the long Senator spinning with a furious blow.

Borough President Blod S. Coler led the fight against McCarren, and Tam-

many furnished some of the snipes of war. General Charles F. Murphy was close to the telephone directing the moves which Colonel Coler carried out.

McCarren Deserted by Lieutenants. Former lieutenants of McCarren, district leaders who stood by him in other contests, worked against his interests today, having lined up with Coler. Seven known leaders announced publicly that they had parted company with "Long Pat" and others were reported to have broken away just before the polls opened, when the word was sent throughout the districts to "vote for the Coler delegates."

President Coler was abroad in his automobile running through district after district, while watching the progress of the voting.

McCarren defeated in Brooklyn by Coler, the latter will turn over the organization to Tammany and Murphy will dictate a deputy leadership for the borough. The same combination will prevail in Queens, where Bernal and Cassidy battled today for leadership supremacy. Cassidy is ready to take orders from Fourteenth street.

As for Richmond, the present leader, Charles McCormick, worked with Murphy and obeyed orders from the Wick-

ham. "And what is Coler to get out of it?" politicians asked today. Other politicians in the know declare that Coler is to receive the Democratic nomination for Mayor or Comptroller. He wants the latter in preference to the former and it is understood the pledge has been given.

Parsons Fears Fraud.

At the eleventh hour, before what promises to be one of the liveliest primary days New York has ever witnessed, Herbert Parsons, president of the Republican County Committee, has offered ten rewards of \$250 each, totalling \$2,500, for conviction of election law violators. In the Republican organization it is a full battle between Parsons and Benjamin B. Odell, Jr., for many years the State leader and recognized as the most vigorous campaigner in the organization.

He declares he has evidence that bands of guerrillas are all ready to steal the election from him if it is possible to do so.

With the Republicans in a good old-fashioned contest in fourteen Assembly districts there is nothing but sweet harmony among the Democrats. Delegates are to be elected who will choose delegates to the National Convention and to the April State Convention, which will elect delegates at large to the National Convention.

The bitterest fight is in the Fifteenth District, which takes in the lower part of the upper West Side. The struggle there is between Harry W. Mack, the Parsons man, and Senator Martin Saxe. In the Twenty-ninth, where John Henry Hammond, a Parsons man, is leader, a sharp contest is waged. In the Twenty-fourth, Twenty-fifth, Twenty-sixth and Twenty-seventh lively times are being experienced.

and bloodshed is not improbable before the polls close.

Won't Predict Outcome.

Mr. Parsons refused to make any prediction as to the outcome. The Odell campaign has been of the gunshow variety, and this fact has increased the alarm felt by the Parsons following.

The Odell men said confidently that they felt sure of winning enough State Committee to depose Woodruff as State Chairman.

They also said that the rapidly with which Parsons has been issuing statements and his allegations of fraud indicate that he is badly frightened.

Senator Brackett said today at Albany: "I apprehend the situation to be this: The delegation of the Parsons-Woodruff combination will really be for the man that Parsons and Woodruff have been for all the time. Therefore my advice to the supporters of the Governor is to vote against the Parsons ticket wherever there is a contest."

Brackett said he thought Woodruff's career as State Chairman would be ended soon.

**POLICE GUARD FOR TAFT WHILE ON CHICAGO VISIT.**

CHICAGO, March 31.—Unusual precautions will be taken by the Police Department to protect Secretary Taft from possible mishap during his visit to Chicago this week. The name of the railroad over which he is to arrive is to be kept secret, and while he is in Chicago police will guard him constantly.

During his stay the Secretary will appear only once before the general public—that will be on Saturday afternoon at the Hamilton Club, when there will be a public reception in his honor. To this end the people of Chicago have been invited.

## Bedsteads, Folding Couches, Mattresses and Springs

It is only a matter of looking at these pieces to realize that they were never made to sell at to-morrow's prices. Especially in the case of the folding couches is the unusualness of the value noticeable. While everything mentioned is way under regular price, the advantages in the prices of the couches as compared with those charged elsewhere are greatest.
